Appropriateness

We welcome those who present material that is of an enriching nature to the Pride Parade as celebrated by all ages and all orientations. In the GLBT Communities we celebrate our right to be and express ourselves freely in a manner that is truly representative of our own individuality and nature without the societal impositions that many of us have endured for years. While strongly embracing the aforementioned ideal, the Pride Parade Committee will stand firm on a policy of zero-tolerance for any form or representation of indecency or conduct inappropriate for a mixed atmosphere.

I understand that if, at any time, anyone associated with my business/organization does not comply with these conditions and regulations, such noncompliance constitutes grounds for immediate removal from the Parade and forfeiture of any donations. I also agree that I will be the contact person throughout the event and, if for some reason I am not able to attend, the NC Pride Parade Committee will be immediately notified of such change.

General Parade Rules and Regulations (applies to all participants)

1. NC Pride Parade Committee and its representatives (herein referred to as members, agents, and assignees) reserve the right to remove any participant or organized group of participants (herein referred to as "unit") from the parade at any time, as well as the right to refuse privileges for any reason. Any applicant unwilling to comply with the regulations on this information sheet is subject to immediate removal from the parade.
2. All participants must follow the direction of the NC Pride Parade Committee and its representatives prior to and during the parade.
3. Any violation of city ordinances or state laws is strictly prohibited. NC Pride Parade Committee will not be held responsible for such violations.
4. All participants and/or units are prohibited from the use or consumption of alcohol or illegal substances during all phases of the parade.
5. All participants and/or units must assign at least one coordinator from the group. Responsibilities for the coordinator are listed below.
6. All participants and/or units are responsible for any and all acts and/or omissions on their part, or on the part of their agents, volunteers, servants, and employees, which may result in injury or damage to the person or property of themselves or third parties. All participants and/or units specifically agree that NC Pride Parade Committee and its members, agents and agencies will NOT be held responsible for any claims arising out of any such act or omission during all phases of the parade.
7. **All participants and/or units are responsible for any cleanup required as a result of their actions.**
8. No sound may be broadcast through an amplified means until YOUR unit has completely passed the corner of Campus Drive and Main Street.

Coordinator's Responsibilities

1. All participants and/or units shall assign a coordinator who will be considered the person in charge and responsible for the unit.
2. The coordinator shall check in with NC Pride Parade Committee at Campus Drive and Main Street. **NO later than 11:15 AM** on the morning of the Parade (Sept24) and shall act as liaison between the Parade Unit and NC Pride Parade Committee.
3. The Coordinator shall be responsible for the actions of the unit prior to and during the parade.
4. The Coordinator shall work with surrounding participants to ensure full communication and cooperation with all.

IMPORTANT: EACH COORDINATOR WILL BE RESPONSIBLE FOR REMINDING PARTICIPANTS IN HIS/HER UNIT THAT DRINKING WATER BEFORE THE PARADE IS CRITICAL TO PREVENT OVERHEATING AND FATIGUE ASSOCIATED WITH DEHYDRATION.

Would you like to build a Float?

Our float committee has experience and can assist you with ideas and practical information on how to build a small and inexpensive float that still “wows” the crowd. We have photos and plans for decorating golf carts, jeeps, cars and flat bed trailers to help you get started. We have contacts for catalogs of float materials to make your creation look professional and a downloadable book on “how to build floats”. Please call us for any assistance.

Would you like your marching group to be colorful?

Our parade committee has photos and ideas to assist you in making a “splash” as your marching group takes to the street! We have designs for many flags, balloon creations, and homemade decorative costumes and banners. This year, we want you to think of colorful banners and creations that can be seen above the crowd. Please call us for any assistance.

**Wanted: Convertibles, horsebackriders, golfcarts, flatbed trailers, horse carriages
and antique cars for our parade**
