Appropriateness

We welcome those who present material that is of an enriching nature to the Pride Parade as celebrated by all ages and all orientations. In the GLBT Communities we celebrate our right to be and express ourselves freely in a manner that is truly representative of our own individuality and nature without the societal impositions that many of us have endured for years. While strongly embracing the aforementioned ideal, the Pride Parade Committee will stand firm on a policy of zero-tolerance for any form or representation of indecency or conduct inappropriate for a mixed atmosphere.

I understand that if, at any time, anyone associated with my business/organization does not comply with these conditions and regulations, such noncompliance constitutes grounds for immediate removal from the Parade and forfeiture of any entry fees. I also agree that I will be the contact person throughout the event and, if for some reason I am not able to attend, the NC Pride Parade Committee will be immediately notified of such change.

Would you like to build a Float?

Our float committee has experience and can assist you with ideas and practical information on how to build a small and inexpensive float that still “wows” the crowd. We have photos and plans for decorating golf carts, jeeps, cars and flat bed trailers to help you get started. We have contacts for catalogs of float materials to make your creation look professional and a downloadable book on “how to build floats”. Please call us for any assistance.

Would you like your marching group to be colorful?

Our parade committee has photos and ideas to assist you in making a “splash” as your marching group takes to the street! We have designs for many flags, balloon creations, and homemade decorative costumes and banners. This year, we want you to think of colorful banners and creations that can be seen above the crowd. Please call us for any assistance.

Wanted: Convertibles, horsebackriders, golfcarts, flatbed trailers, horse carriages and antique cars for our parade
